## Order

Regarding the Objection raised by Sri C Somanna Member of the Town Municipal Council, Kadur in respect of the name of the father of Sri A V Puttaswamy who has stood as a Candidate for the Bye-Election for the 2nd block of Kadur, as furnished in his application of Candidature

---

Heard both the parties

The contention of Sri Somanna is that according to the printed Voters list of the Kadur Town Municipality, Block No IV published during the year 1946 47, in connection with the general election held in the Town, the complete name of the present candidate is indicated as A V [illegible] and that the party on the other hand, has given his father's name in the application to the Candidature as Ajjampur Venkataramaiah" and as such the application will have to be rejected

Sri Puttaswamy says that his father's name is Ajjampur Venkataramaiah as he has now indicated in the application to the Candidature, and that the name "Phunnu" presented in the list is wrong being due to some clerical or typographical error He states further that his application to the Candidature in connection with the general election was accepted although it contained the correct name of his father and did not indicate the name as printed in the Voters list.

From a scrutiny of the present application and the one relating to the general election presented by Sri A V Puttaswamy it is seen that the name of his father is given as Ajjampur Venkataramaiah or Venkataramanah — the last letter being indistinct

having been scribbled apparently in a hurry in the application dated the 9th September 1948 and as "V Venkataramaiah in the application dated the 25th February 19..."

It is thus seen that there is no uniformity in the names furnished by the candidate His contention that the name Phanappa is not his father's may be correct But he had more than enough time and opportunities to have this error corrected as per rules He has failed to do so Merely because his application was admitted before he cannot claim that it should be done so now under a material irregularity The acceptance of the former application (during the general election) might have been due to the absence of any objection in respect of the name of the candidate's father although it is different from that indicated in the Voter's List

Since it is imperative that all the prescribed formalities in an election or a bye-election should strictly be observed, I am of opinion that the object raised by Sri Somanna is tenable and valid and, as such, the application of Sri Puttaswamy is rejected

With reference to memo No A3 6721 A8-49 dated the 9th October 1948, on the above Subject I beg to state that the candidate has signed his name correctly as Mansomaiah in conformity with the name printed in the Voters list The Application was however not prepared by him and the gentleman who prepared it was a Municipal Councillor and he seems to have inadvertently indicated the name with which he, out of familiarity, used to address the candidate However no objection was raised in this behalf during the prescribed period
